

# Does this sound like you?

<input type="checkbox"/>	<p>I want to build:</p> <ul style="list-style-type: none"><li><input type="checkbox"/> on acreage</li><li><input type="checkbox"/> on an in-fill lot</li><li><input type="checkbox"/> in a new subdivision which allows "BYOB" (bring your own builder)</li></ul>
<input type="checkbox"/>	<p>I want to build something which is different or unique; I am not interested in subdivisions where all the houses look the same.</p>
<input type="checkbox"/>	<p>I want to have control over the process.</p>
<input type="checkbox"/>	<p>I want to have input in the materials which go into my house.</p>
<input type="checkbox"/>	<p>I don't want to be limited in the number of selections available to me; the availability of options in brick, tile, paint colors, etc. is important to me.</p>
<input type="checkbox"/>	<p>I am interested in the building process, and I want to be involved at every stage.</p>
<input type="checkbox"/>	<p>I am interested in devoting significant time to the process of building a custom home.</p>

If any of the above applies to you, then building a custom home may just be the right path for you!
